RESPONSE TO RESTRICTION REQUIREMENT

This is in response to the Office Action dated January 9, 2006, in which the Examiner has required restriction between Group I (claims 18-19) and Group II (claim 20). Applicant hereby elects without traverse to prosecute the claims of Group I (claims 18-19) and expressly reserves the right to file divisional applications or take such other appropriate measures deemed necessary to protect the inventions in the remaining claims.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those, which may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.
